

# Synthesis and Design of industrial plants

Prof. Mirko Skiborowski

Francesca Meyer

Institute of Process Systems Engineering

# Learning Objectives

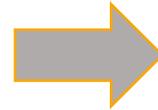

# Initial Situation

Reference Process

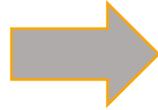

Simulation

Locally at  
TUHH

Communication & Presentation

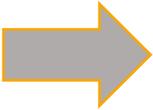

Face-to-  
Face  
teaching

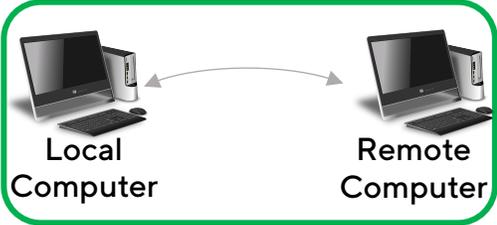

# Focus of Innovation

all Materials in English

Reference Process

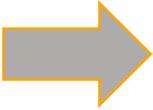

Simulation

Remote Access to Simulation Software

Communication & Presentation

Video conferences and assisted group collaboration

# Structure

## Engage

## Investigate

## Act

# Feedback and Future Improvements
