BENEFITS FOR STUDENTS AND LEARNERS

ECIU University offers you the opportunity to participate in challenges in an international network with experts, other students and learners. Achieve real societal impact by working on real-life challenges thematically aligned with SDG11 „Sustainable Cities and Communities“.

WHY PARTICIPATE ...

- gain insights and perspectives from experts, students and lifelong learners from different European universities
- **travel** to the ECIU-partner countries and work on the challenge on site
- work in a **team with different cultures** and an international environment
- get **1-30 ECTS** points for participating in a challenge
- work on solutions to socially significant issues and make your own mark on the development of society
- practice **analytical and critical thinking**, reasoning and entrepreneurship, you will improve **problem-solving skills**

CHALLENGES

Challenges are characterized by placing a **real, relevant challenge from life** at the center of students' learning.

Find all challenges from every university on the **ECIU University Challenge platform** (QR-Code): challenges.eciu.org/challenges/.
