

# ECIU University Research Conference

Engaging society through  
challenge-based R&I and learning

3-4 October, 2023  
Universitat Autònoma  
de Barcelona

An interactive forum for **EXTERNAL STAKEHOLDERS** and **RESEARCH COMMUNITY** to present and discuss common challenges.

## Why should you participate?

- It is great opportunity to present your research, analysis, studies and visions;
- Be part of ECIU University community is very exciting and fabulous;
- It is a perfect platform for networking and discussion of SDG11 relevant research challenges;
- It is excellent opportunity for researchers to get feedback on early-stage research.

## Topics covered

- Circular Economy
- Transport and Mobility
- Energy and Sustainability
- Resilient Communities

Calls for applications are now open until 22nd May:

Call for **POSTERS**

Call for **CHALLENGES**

Read **GUIDELINES**  
and submit your  
application **HERE**.
